at home on a vacation on account of the prevalence of typhoid fever at Bradford Academy, in Massachusetts, which she attends.

William T. Grover of Ashtand Avenue, manager of Cora Tanner's "Will She Divorce Him" Company, has returned home from a very successful tour through the South and West.

Mrs. Johanna Hagen died at the residence of her son Fritz on Broad Street last Saturday. Funeral services were held on Tuesday. Interment in the Bloomfield Cemetery.

The regular monthly entertainment of the Young People's Society of the Old Church will this month be a musicale, to be given next Monday evening in the Sunday-school room of the church.

A boxing-match between two local pugilists named "Post Odds" and "Spider" at a well-known sporting resort the other night resulted in a victory for "Spider" after twenty-one rounds had been fought.

The Surveyors of Highways will meet at the American House on the 31st inst. to determine whether or not Lloyd Avenue and Roseville Avenue in this township shall be declared vacant as per request of petitioners.

A visit to the works of the Bloomfield and Montclair Crystal Ice Company on Newark Avenue shows that the demand for artificial ice continues to increase. Mr. Muir, the superintendent, stated that the business of the company is double that of last year at this time.

The Rev. Dr. Charles E. Knox of the Seminary lost his gold watch on Thursday while on his way from the Seminary to New York. The watch was a gift from esteemed friends, and the Doctor deeply deprecates its loss. A reward will be paid for its return to the Seminary.

The wife of James Pettit of the firm of Harrison and Pettit, organ builders, on Orange Street, died at her residence in East Orange last Saturday. Funeral services were held on Tuesday. The factory was closed, and the employees attended in a body.

The township law on roads, as expounded by Alfred Skinner of Belleville, raises a question as to whether this town can appropriate such a large sum of money for road construction as recommended by the Committee. Mr. Skinner's remarks on the law will be found in another part of the paper.

An increase in the appropriation for police purposes has been recommended by the Town Committee. The sum voted last year (\$800) was inadequate, as the need of police patrol in the town is felt to be necessary, owing to the innumerable petty robberies committed recently.

Political Notes.

There is a dearth of candidates in the First Ward.

Charles H. Johnson is spoken of as a possible Committee man from the First Ward.

A special meeting of the Second Ward Republican Club will be held at their rooms on Maple Street next Tuesday evening.

Theodore H. Ward will probably accept the nomination for Town Committeeman-at-Large if the Republican Convention tenders it.

John V. Smith of the First Ward is a candidate for renomination for constable. He is a good man, and the people could do no better.

There seems to be no opposition to the nomination of George Fisher of Brookdale for Township Committeeman from the Second Ward.

It is rumored that Thomas F. Cadmus will probably be a "dark horse" for the nomination for Town Committeeman in the Third Ward primary.

The Boards of Registry and Election in the several wards will meet Tuesday, April 5, for revision of the registry list and registering new voters.

A Fire on Park Street.

An alarm from box 25 called out the Fire Department at eleven o'clock on Tuesday morning. A pan of ashes had been upset in an out-house in the rear of Mrs. Margaret Hunter's residence on Park Street. The flames were soon extinguished. Loss about \$100.
